ORGANIZATION INFORMATION

Fayette County Master Gardener Association www.fcmga.org The Fayette County Master Gardener program was created in 1987 by the UK Cooperative Extension Service to develop a group of volunteers who could assist in the educational mission of the Extension Service. These volunteers provide consumers with up-to-date, reliable knowledge so that they can enjoy and protect the horticultural plantings in their home environment. **Master Gardeners who have successfully completed their classroom training and fulfilled their volunteer requirements are actively involved in the community in projects such as:**

- Demonstration Herb and Vegetable Gardens projects at the Arboretum
- Growing Community
- Cardinal Hill Accessible Gardening Project
- Farmers Market Information Booth
- Bluegrass Fair
- Speaker's Bureau
- Extension Office Horticulture Helpline
