June 10 - 11, 2023

MASTERTON STATION PARK

Entries: Saturday, June 10, 9:00 a.m. to 11:30 am; Judging: 1:00 p.m.

ENTRY RULES

1. Contest is open to amateur growers of all ages in Fayette County and surrounding areas. The Youth Division is open to Youth under the age of 18 as of August 1, 2017. Enter as many classes as you wish.
2. Entries will be received from 9:00 am to 11:30 am on Saturday, June 10, 2023. **No entries will be accepted after 11:30 am.** Entries are to be brought in through the designated Agriculture gate.
3. Entries will remain on display through Sunday, June 11, 2023. Exhibits, awards, and premiums are to be picked up on Monday, June 12, 2023, from 9 a.m. to 11 a.m. Any exhibit or ribbon remaining after 11 a.m. will be discarded or dispersed at the discretion of the sponsoring organizations. Premiums not collected during the stated time will be forfeit.
4. There must be an emphasis on FRESH plant material. No artificial plant material is permitted in any exhibit in any division. Painted or dyed live plant material is not allowed.
5. Judging will begin at 1:00 p.m. The General Chairman and the Classification Chairmen for each division are available during judging for possible consultations. They, along with the judges and clerks, are the only personnel allowed on the floor during judging.
6. The show will be judged according to the Standards of the National Garden Clubs, Inc. The decisions of the judges will be final. Awards may be withheld if not merited. All judging will be done according to the scale of points in this schedule and as found in the 2017 Handbook for Flower Shows (Handbook).
7. The Schedule is the Law of the Show, and exhibitors and judges abide by its requirements. Avoid disqualification by adhering to the schedule requirements.
8. It is unlawful to remove native plants from any public land in Kentucky. In addition, the following federally-listed endangered plants for Kentucky will not be allowed in designs or as horticulture specimens: Potato-bean, Price's (*Apios priceana*); Rock Cress, Braun's (*Arabis perstellata*), Sandwort, Cumberland (*Arenaria cumberlandensis*); Rosemary, Cumberland (*Conradina verticillata*); Goldenrod, white-haired (*Solidago albopilosa*); Goldenrod, Short's (*Solidago shortii*); Spiraea, Virginia (*Spiraea virginiana*); and Clover, Running Buffalo (*Trifolium stoloniferum*); Chaffseed, American (*Schwalbea Americana*), White Fringeless Orchid (*Platanthera integrilabia*).
9. The Lexington Lions Club Bluegrass Fair, the Fayette County Master Gardener Association, and the Lexington Council Garden Clubs will strive to assure the safety of all items after arrival and placement, but are not responsible for any loss or damage to exhibits.
10. The Classification Chairmen for each division check exhibits for conformity to the schedule prior to judging. Final determination for conformance is the judges' responsibility.
11. Dismantling will be the responsibility of all members of the sponsoring organizations.

ENTRY PROCEDURE

1. **Registration** – go to the Registration table to sign in and get your Exhibitor Number.
2. **Entries** – go to the Entries table to pick up and complete your Entry Tag.
3. **Grooming** – go to the Grooming table for appropriate containers, wedging, and assistance with getting your specimen to look its best.
4. **Classification** – go to the Classification table for assistance with plant identification and for review of your Entry Tag.

STATEMENT OF AWARDS

1. Ribbons and Premiums: **First** (blue - 90 points or above) - \$3, **Second** (red - 85 points or above) - \$2, **Third** (white - 80 points or above) - \$1, and **Honorable Mention** (yellow - 75 points or above). The NGC Standard System of Awards will be used for all competitive judging (see *Handbook*, page 39).
2. A **Best-in-Show Veggie Award** may be awarded to a correctly botanically named horticulture entry scoring 90 or above in Section A of the Horticulture Division, Fruits and Vegetables. Best-in-Show Veggie Award is a rosette of green and white ribbons.
3. A **Best-in-Show Floral Award** may be awarded to a correctly botanically named horticulture entry scoring 90 or above in the Sections B, C, D, E, F, G, H, I, and J in the Horticulture Division. Best-in-Show Floral Award is a rosette of green and white ribbons.
4. A **Best-in-Show Design Award** may be awarded to a design entry scoring 90 or above in the Design Division. Best-in-Show Design Award is a rosette of green and white ribbons.
5. A **Best-in-Show Youth Award** may be awarded to a horticulture entry scoring 90 or above in the Youth Division. Best-in-Show Youth Award is a rosette of green and white ribbons.
6. The **Sweepstakes Award** in Horticulture, Division I, may be awarded to an exhibitor winning the largest number of awards (see *Handbook*, page 464). The Awards Committee, on the basis of the greatest number of blue ribbons awarded a single exhibitor, calculates it (blue ribbon equals 5 points). In the event of a tie, the red ribbons of those exhibitors will be counted (red ribbon equals 3 points). If there is still a tie, yellow ribbons may be counted (yellow ribbons equal 1 point). Sweepstakes Award is a rosette of purple and white ribbons.

DIVISION I: HORTICULTURE

DIVISION I: HORTICULTURE RULES

1. All exhibits must be fresh and have been grown by the exhibitor.
2. Plant material must be in its natural state and may not be altered by application (treatment) of oil, commercial “shine” products, etc., that change the natural appearance. No wiring of specimens is permitted. Washing exhibits with water is permitted.
3. Only foliage and/or flowers naturally grown and still attached to the specimen are permitted in the Flower Show. Unattached foliage is never included with a cut bloom specimen.
4. Exhibits must have been in the possession of the exhibitor for the appropriate number of days listed below:
 - a. Combination Plantings except troughs—6 weeks
 - b. Annuals—90 days; EXCEPTION: no minimum for early maturing seeds and/or transplants
 - c. Bulbs—90 days; EXCEPTION: no minimum for forced bulbs/corms/tubers/rhizomes
 - d. Houseplants—90 days
 - e. Perennials (Herbaceous)—90 days
 - f. Vegetables and Fruits—90 days; EXCEPTION: no minimum for early maturing crops
 - g. Arboreals—6 months
 - h. Troughs—6 months
5. The rules for a single species cut or container-grown specimen are listed in the Handbook or its supplement *Horticulture Exhibiting and Judging*.
6. The exhibitor must identify each entry by its binomial name or currently acceptable scientific designation. Common name may also be given.
7. Entry cards are to be filled out in advance (if possible) with section and class, using water-proof ink, labels, or pencil. Entry cards may be obtained in advance from sponsoring organizations.
8. Cut specimens should not have foliage below the water line, except for *Gladiolus*.

9. If a plant is considered a flowering plant, it should be exhibited as a flowering specimen. Foliage plants may flower but should be exhibited as foliage plant if they are grown for their leaves.
10. Specimens with a class designation in the schedule may not be entered in the "Any Other" class.
11. The Horticulture Classification Chairman and/or General Show Chairman are free to subdivide classes by color, form, size, cultivar, variety, or other distinguishing characteristics.
12. More than one entry per class per exhibitor is permitted, provided each is a different variety, cultivar, type, or color.
13. Cut specimens must be exhibited in clean, transparent (preferably colorless) containers, suitable for size of specimen. Containers to be furnished by exhibitor.
14. Wedging, a small, inconspicuous "plug" in the neck of a container to improve the pose of the specimen, is permitted. Wedging may be visible but must not detract from the cut specimen. Wedging must be provided by the exhibitor.
15. All exhibitors must (1) register; (2) prepare entry tag; (3) groom entry; (4) have entry accepted by Classification. Entries are placed by Placement committee.
16. See Sections C, D, and E for container size limitations.

DIVISION I: HORTICULTURE SECTIONS AND CLASSES

Flowers, Fruits, Herbs, Plants, & Vegetables

Entering the Horticulture classes provide you the opportunity to show off your green thumb! Are you proud of your peppers? Is your bee balm becoming? Do you spend a lot of time on your thyme? By entering them in the fair, you can enjoy a little friendly competition, and help to educate the public on the joys of gardening!

Section A – Fruits and Vegetables

Entries will be exhibited on paper plates as provided by the Fair. Exhibit must contain exact number of items specified, one variety per plate. Produce discarded at end of show.

- Class 1. Asparagus (6/plate)
- Class 2. Beets – tops cut to 4" (4/plate)
- Class 3. Broccoli (1/plate)
- Class 4. Cabbage (1/plate)
- Class 5. Carrots (3/plate)
- Class 6. Cauliflower (1/plate)
- Class 7. Cherries (12/plate)
- Class 8. Kale (4 leaves/plate)
- Class 9. Kohlrabi (3/plate)
- Class 10. Lettuce (3 heads/plate)
- Class 11. Onions – tops trimmed, not peeled (6/plate)
- Class 12. Radishes (6/plate)
- Class 13. Peas (12/plate)
- Class 14. Potatoes (6/plate)
- Class 15. Spinach (6 leaves/plate)
- Class 16. Strawberries (6/plate)
- Class 17. Swiss Chard (6 leaves/plate)
- Class 18. Turnips (4/plate)
- Class 19. Harvest Display – a combination of a minimum of any 5 fruits, vegetables, and/or flowers, labeled; maximum size of display – 24"x30"
- Class 20. Any other fruit or vegetable

Section B - Herbs

Cut herbs, one stem displayed in appropriately sized clear container

- Class 21. *Ocimum*, Basil
- Class 22. *Mentha* (mint)
- Class 23. *Origanum*, Oregano
- Class 24. *Rosmarinus*, Rosemary
- Class 25. *Salvia*, Sage
- Class 26. *Thymus*, Thyme
- Class 27. Any other culinary herb
- Class 28. *Pelargonium graveolens*, Scented geranium
- Class 29. Any other cut herb

Section C – Flowering Container Grown Plants

Container-grown flowering plants, grown for their blooms, of single genus and species per container. Containers may not exceed 15" in diameter.

- Class 30. *Gesneriaceae Saintpaulias*, African violet – single crown
- Class 31. *Orchidaceae*, Orchid
- Class 32. *Pelargonium*, Geranium
- Class 33. Any other flowering container grown plant

Section D – Foliage Container Grown Plants

Container-grown foliage plants, grown primarily for attractive, interesting leaves, of single genus and species per container. Containers may not exceed 15" in diameter.

- Class 34. *Cactaceae*, Cacti and succulents
- Class 35. Ferns
- Class 36. Herb
- Class 37. Any other foliage container grown plant

Section E – Combination Plantings

Plant combinations that have similar cultural requirements for soil, water, fertilizer, light, and humidity. Containers may not exceed dimensions specified below.

- Class 38. Trough Garden – a miniature naturalistic landscape arranged in a container such as English stone or hypertufa that will withstand year-round outdoor conditions, 15" maximum diameter
- Class 39. Window box – 3 to 5 varieties of plants, no longer than 30"
- Class 40. Miniature planter – flowering, total not to exceed 8" in height or width
- Class 41. Dish garden – miniature landscape in an open container, 15" maximum diameter
- Class 42. Terrarium – miniature landscape in a transparent container
- Class 43. Hanging basket – flowering, 16" maximum diameter
- Class 44. Patio planter – not to exceed 18" diameter

Section F – *Rosaceae*, Roses

Stem length in proportion to bloom

- Class 45. Grandiflora – one bloom or spray, two or more fresh florets in bloom, buds in all stages of development with more open blooms than buds, any color
- Class 46. Hybrid tea – one bloom without sidebuds, any color
- Class 47. Floribunda – one spray, any color
- Class 48. Miniature – one bloom or spray, any color
- Class 49. Shrub rose (includes English roses) – one bloom or spray, any color
- Class 50. Any other rose

Section G – Perennials

One stem, scape, or spray

- Class 51. *Adiantum Pedatum*, Maidenhair Fern
- Class 52. *Matteuccia struthioptersi*, Ostrich Fern
- Class 53. *Athyrium niponicum pictum*, Japanese Painted Fern
- Class 54. *Athyrium filix-femina*, Crested Lady Fern
- Class 55. Fern, exhibiting other color
- Class 56. *Ajuga Reptans*
- Class 57. *Alcea*, Hollyhock
- Class 58. *Alchemilla mollis*, Lady's Mantle
- Class 59. *Allium*
- Class 60. *Amsonia*, Blue Star
- Class 61. *Aquilegia*, Columbine
- Class 62. *Baptisia australis*, False Indigo
- Class 63. *Hemerocallis*, Daylily – Yellow
- Class 64. *Campanula*, Bellflower
- Class 65. *Coreopsis*, Tickseed
- Class 66. *Dianthus*, Pink
- Class 67. *Delphinium*

- Class 68. *Dicentra spectabilis*, Bleeding Heart
- Class 69. *Epimedium*, Fairy Wings
- Class 70. *Heuchera*, Coral Bells (foliage only)
- Class 71. *Hosta*, leaf – large (greater than 9" in length; do not include petiole in measurement)
- Class 72. *Hosta*, leaf – medium (6" to 9" in length; do not include petiole in measurement)
- Class 73. *Hosta*, leaf – small (3" to 6" in length; do not include petiole in measurement)
- Class 74. *Hosta*, leaf – miniature (less than 3" in length; do not include petiole in measurement)
- Class 75. *Iris*, Tall Bearded Iris
- Class 76. *Iris ensata*, Japanese Iris
- Class 77. *Iris Sibirica*, Siberian Iris
- Class 78. *Penstemon*, Beard Tongue
- Class 79. *Peony*, double
- Class 80. *Peony*, semi-double
- Class 81. *Peony*, single
- Class 82. *Polygonatum odoratum*, Solomon's Seal
- Class 83. Any other perennial

Section H – Annuals

One stem, scape, or spray

- Class 84. *Ageratum*
- Class 85. *Coleus*
- Class 86. *Cosmos*
- Class 87. *Heliotrope*
- Class 88. *Impatiens*
- Class 89. *Lantana*
- Class 90. *Lathyrus odoratus*, Sweet Pea
- Class 91. *Pelargonium*, Geranium
- Class 92. *Petunia*
- Class 93. *Tagetes*, Marigold
- Class 94. Any other annual – Flowering
- Class 95. Any other annual - Foliage

Section I – Bulbs, Corms, and Tubers

One stem, scape, or spray

- Class 96. *Begonia*
- Class 97. *Convallaria majalis*, Lily-of-the-Valley
- Class 98. Any other bulbs, corms, and tubers

Section J – Arboreal

Tree or shrub branches, no longer than 30", with several nodes

- Class 99. Broadleaf evergreens
- Class 100. Flowering branches
- Class 101. *Hydrangea Quercifolia*, Oak Leaf
- Class 102. *Hydrangea Macrophylla*
- Class 103. *Hydrangea Paniculata*
- Class 104. Needled evergreens
- Class 105. Any other arboreal

Section K – Collections

A minimum of 5 different specimens exhibited in individual containers. Must all be related, such as 1 plant family (ex. *Rosacea*), 1 genus (*Hosta*), similar characteristics (ferns, shade foliage, flowering or foliage annuals, etc.). Provide a card stating the plant relationships. A single entry with one entry card, but each specimen must be properly identified. Exhibitors will place their collections and may provide special staging. The lowest scoring specimen in the collection will determine the highest ribbon for the exhibit.

Class 106. Cut specimen collection

Class 107. Container grown collection

DIVISION II: DESIGN

“Enchantment”

This year’s theme is all about Disney® princesses! You’ve grown all those beautiful flowers and demonstrated your green thumb – now is the time to show off your artistic side! There’s a class for everyone – beginners and advanced alike.

DIVISION II: DESIGN RULES

1. Some plant material must be used in every exhibit. This includes fresh and/or dried plant material.
2. Exhibitor may enter multiple classes within the Design Division, but only one exhibit per class.
3. The exhibit entered into competition must be the work of only one exhibitor and that exhibitor’s name must appear on the entry card.
4. Landscapes, scenes, or anything representing an actual item of clothing, person, animal, etc. are not considered acceptable in the Design Division.
5. Religious symbols used in a design must be displayed in a respectful manner.
6. Plant material used in designs need not be grown by exhibitor.
7. Plant material and non-plant materials permitted and not permitted in the Design Division are printed in the *Handbook*, pages 80-81.
8. In an effort to educate the public, plant material used in the design must be listed on a card. Botanical and/or common name acceptable.
9. All exhibitors must first register. Designs are then recorded by Entries; directed by Placement; and accepted by Classification.

DIVISION II: DESIGN CLASSES

Class 108. “Cinderella”

Class open to novices only (those who have never won a blue ribbon in design).

Class 109. “Tangled”

A traditional design.

Class 110. “Frozen”

A creative design.

Class 111. “Mulan”

A design in an Oriental manner.

Class 112. “Moana”

A Petite Design (between 7 and 12 inches in height, width, or depth).

DIVISION III: YOUTH

“Show What You Grow!”

Horticulture entries open to youth under 18 as of August 1. Follow entry rules as for adults. Be prepared to label your entry. Awards will consist of 1st, 2nd, 3rd place ribbons in each class along with \$3, \$2, and \$1 premiums for each class. Youth exhibitor must have had possession of container-grown plant for at least 60 days. Plants in planters, terrariums, or dish gardens must have been grown together for at least three weeks.

- a. Juniors – pre-school through age 12 b. Advanced – ages 13 through 17

Section A - Fruits and Vegetables – Entries will be exhibited on paper plates as provided by the Fair. Exhibit must contain exact number of items specified, one variety per plate. Produce discarded at end of show.

- Class 113. Asparagus (6/plate)
- Class 114. Beets (4/plate)
- Class 115. Broccoli (1/plate)
- Class 116. Cabbage (1/plate)
- Class 117. Carrots (3/plate)
- Class 118. Cauliflower (1/plate)
- Class 119. Cherries (12/plate)
- Class 120. Kale (4 leaves/plate)
- Class 121. Kohlrabi (3/plate)
- Class 122. Lettuce (3 heads/plate)
- Class 123. Onions (6/plate)
- Class 124. Radishes (6/plate)
- Class 125. Peas (12/plate)
- Class 126. Most unusually shaped vegetable (oddly shaped, grown naturally)
- Class 127. Spinach (6 leaves/plate)
- Class 128. Strawberries (6/plate)
- Class 129. Swiss Chard (6 leaves/plate)
- Class 130. Turnips (4/plate)
- Class 131. Harvest Display – a combination of fruits, vegetables and flowers, minimum of 5 varieties, labeled, maximum size of display 24” x 30”
- Class 132. Any other fruit or vegetable

Section B - Container-Grown Plants – Plant combinations that have similar cultural requirements for soil, water, fertilizer, light, and humidity. Containers may not exceed dimensions specified below.

- Class 133. Vertical Onion Garden
- Class 134. Vegetable Bucket Garden, 2–3-gallon bucket, 15” max. diameter
- Class 135. Flower Bucket Garden, 2–3-gallon bucket, 15” max. diameter
- Class 136. Dish garden – miniature landscape in open container, 15” max. diameter
- Class 137. Mixed patio planter – Annuals, 18” max. diameter
- Class 138. Mixed patio planter – Vegetables, 18” max. diameter
- Class 139. Any other container grown plant

Section C - Cut Specimens – One stem, displayed in an appropriately sized transparent container

- | | |
|----------------------------------|---|
| Class 140. <i>Impatiens</i> | Class 143. <i>Petunia</i> |
| Class 141. <i>Mentha</i> , Mint | Class 144. <i>Tagetes</i> , Marigold |
| Class 142. <i>Ocimum</i> , Basil | Class 145. Any other cut flower or herb |

Section D – Herbs – Cut herbs, one stem displayed in appropriately sized clear container

- | | |
|----------------------------------|-------------------------------|
| Class 146. <i>Ocimum</i> , Basil | Class 148. Any other cut herb |
| Class 147. <i>Mentha</i> (mint) | |

Section E – Youth Design: “My Favorite Things” A floral design incorporating a favorite object – toy, book, etc.

Class 149. Youth Design – **My Favorite Things**

ORGANIZATIONAL INFORMATION

Fayette County Extension Master Gardeners

www.FCMGA.org

The Fayette County Extension Master Gardener program was created in 1987 by the UK Cooperative Extension Service to develop a group of volunteers who could assist in the educational mission of the Extension Service. These volunteers provide consumers with up-to-date, reliable knowledge so that they can enjoy and protect the horticultural plantings in their home environment.

Master Gardeners who have successfully completed their classroom training and fulfilled their volunteer requirements are actively involved in the community in projects such as:

- UK Arboretum
- Extension Backyard Vegetable, Flower, Herb, gardens
- Farmers Market information table
- Growing Community
- Reforest the Blue Grass
- Seed leaf
- Food Chain

Lexington Council Garden Clubs
